

BAMIRIN FRANCIS OLAWALE

Lagos State, Nigeria | +2348144326123 | francisbamirin45@gmail.com

Summary

Skilled and adaptable Full-Stack Developer with strong capabilities in building efficient, scalable web applications. Experienced in developing dynamic user interfaces with React and JavaScript, alongside backend systems using PHP and Node.js. Proficient in API integration, database management, and building desktop applications with VB.NET. Committed to delivering clean, maintainable code, improving system performance, and continuously enhancing technical expertise to meet evolving software demands.

Experience

AfooTech Global I.T Solution, Ogun.

Software Engineer

October 2022 – Present

- Designed and developed responsive front-end features using HTML, CSS, JavaScript, and React.
- Engineered backend logic in PHP, connecting applications to MySQL databases and third-party APIs.
- Built and consumed RESTful APIs, ensuring secure and efficient communication between client and server.
- Developed internal tools and automation scripts using VB.NET for improved workflow efficiency.
- Participated in full development lifecycle from design discussions to deployment and maintenance.

Technical Skills

- **Frontend Development:**
 - HTML5, CSS3, JavaScript (ES6+), React.js, Vue.js (basic understanding)
- **Backend Development:**
 - PHP, Node.js (basic)
- **Programming Languages:**
 - REACT, Node.js, VB.NET, JavaScript, PHP
- **Databases:**
 - MySQL
- **API Integration:**
 - RESTful APIs, JSON, Postman, AJAX, AXIOS
- **Version Control:**
 - Git, GitHub
- **Development Tools:**
 - Visual Studio Code, Visual Studio IDE
- **Scripting & Systems:**

- Bash, PowerShell, Basic Linux Administration

Education

Higher National Diploma in Computer Engineering Technology

Gateway ICT Polytechnic, Saapade, Ogun State

Interests

- Web Application Development
- Software Architecture & APIs
- Creative Problem-Solving with Code
- Building Scalable, Maintainable Software Solutions
